Course description:

A continuation of History of Christianity I, this course is a general introduction to Christianity in the Reformation, Post-Reformation and Modern eras. The course will focus on the key figures, movements and ideas that have contributed significantly to the history of the Church. As an outcome of the course, students should have a general grasp of Christian history since the Sixteenth Century, and with it a working knowledge of the major ecclesiastical issues and personalities of this period of church history, with particular reference to Europe and North America.

Goals:

1. The student will be *introduced* to the history of the Christian Church over the past five centuries, particularly emphasizing the way certain beliefs and practices have shaped Christian identity.
2. Through the lectures, the student will be *exposed* to the cultural and political contexts of Christian thought and *develop* a greater critical appreciation for the Christian tradition.
3. Through the reading and discussions, the student will be *oriented* to key figures, beliefs, practices, and stories in the life of the Christian Church and will *explore* how they relate to contemporary Christian life and ministry.
4. Through the primary source readings, the student will *appreciate* Protestant, and particularly Reformed identity, as a confluence of beliefs, practices, and commitments, which continue to have importance in our world.
5. Through the Digest Papers, and Exams, the student will *reflect* on how Christian identity, and Reformed identity in particular, as represented over the studied period, has relevance for contemporary Christian life and ministry.

The grade "I" indicates that the work required for the course was not completed. It is given only when special, extenuating circumstances (such as illness) prevent the student from completing the work or taking the examination. A written request for an extension must be submitted prior to the due date of the work concerned. If the request is granted, it remains the responsibility of the student to complete all work for the course as soon as possible. In any case, an "I" grade must be removed within the extension time granted; otherwise it will be changed to "F."

Late work:

Late work is not accepted. All assignments are due at the beginning of class. Only serious personal issues, with excuses almost always cleared in advance of the class, are given consideration. If you are traveling for some important reason and cannot attend class, please arrange to have your work delivered on time.

Incomplete work:

Given that **late work is not accepted**, students should consider submitting incomplete work rather than nothing at all.
